EXPERIENCE

WOMEN RUN FOR WOMEN
UX Designer
June 2020-Present

Developing information architecture, implementing interaction design, providing internal UX consultation. Working remotely with founders, graphic designer, and developers to create and manage the website and drive donations.

BLOC
Design/Front-End Development Apprenticeship
June 2019 - April 2020

Learned industry best practices and design process standards with a focus on UX Research, Information Architecture, Visual Design, and Frontend Development. Built products using common industry software while collaborating remotely with senior designers.

WELLS FARGO
Financial Analyst
June 2018 - May 2019

Performed detailed financial analysis on corporate banking transactions. Led the transition of a new client sector into my group. Dispersed team across the continent.
